

Sale of Martin Woodcock's library

Following Martin's recent sad death we have a large number of titles relating to African birds which will be on sale at the 25th Anniversary Meeting and AGM on 13th April. The books available include a number of old classics of African ornithology along with a number of more recent titles.

All books will be sold on a first come first served basis. If anyone wishes to reserve any titles for collection at the AGM please contact me at richardwebb.wildwings@gmail.com . Any not sold at the AGM will also be on sale at the Birdfair at Rutland in August. All proceeds from the sales go to the African Bird Club.

It would be helpful if anyone buying any of these books at the AGM could pay by cash or cheque payable to the African Bird Club.

We appreciate that some people may be interested in some of the titles but unable to attend either meeting. If you are unable to attend either of these events but would like any of the titles please contact me and I will let you know the price including postage and packing.

As you will appreciate from the list some of the books are very old titles and although Martin looked after them well some are not in pristine conditions although many of the more recent titles are in excellent condition. Anyone reserving a book in advance will be able to view them prior to purchase. Anyone buying a book by post will be responsible for the cost of returning the book if unsatisfied with the condition as the Club is unable to cover the cost of returns.

Martin was very keen that his library should end up in the possession of people with a real interest in African ornithology so we hope that most of the books will end up in the possession of ABC members.

Richard Webb
